

THE WILL ROMANOWSKI ENDOWED SCHOLARSHIP FUND

Our Goal

\$26,000

To establish a permanent endowed scholarship in Will's memory at Auburn University and be awarded to a student in Greek life who reflects the values that Will embodied.

"Be Better than Yesterday"

The Will Romanowski Endowed Scholarship honors the life of Will "Romo" Romanowski, who was deeply loved by his family, friends, and the Auburn community. This scholarship offers a lasting way to remember Will while supporting Auburn students. Will was an easy-going friend, devoted brother, and strong student with a lifelong love for baseball. At Auburn, he found a home in Sigma Nu, forming friendships that continue to shape the community. Those who knew him say the note he once wrote to himself — "Be better than yesterday" — was not just a reminder, but a principle he lived every day.
